Space Cop Zack: GARG's Secret Mission
by Don M. Winn

**NEW CHILDREN'S BOOK CELEBRATES
THE POWER OF IMAGINATION**

**"This wonderfully colorful sci-fi adventure is the perfect book for any
reluctant boy reader." - A 'Wishing Shelf' Book Review**

Imagination influences everything humans do. Meaningful theories, embellished dreams, and life-changing inventions all stem from one's imagination. The power of imagination plays an important role in the achievement of success in any field, and it all begins in the creative mind of a child.

Space Cop Zack: GARG's Secret Mission (Available May 2, 2017) by Don Winn is a celebration of the power of imagination. GARG the robot and Space Cop Zack find themselves in another action packed adventure when the notorious General Electric captures Space Princess Dendra. GARG goes on a secret mission to rescue her, but when Mission Control loses contact with GARG, Space Cop Zack must search for him in the Windy Cavern of Doom. Though the real life location of *GARG's Secret Mission* is in Zack's own house, he uses his vast imagination to travel to the water planet Tagmaye, fend off the Strangulation Worms of Zargos 7, and save the day with the Electro-Pulse 3000.

"My goal for/with *Space Cop Zack: GARG's Secret Mission* is to encourage children to create their own adventures. The best adventures don't rely on expensive toys or electronic devices, but on seeing the world with new eyes," says Winn.

The second book in the *Space Cop Zack* series, *GARG's Secret Mission* is all about fostering imagination—childhood imaginings that help develop an imagination into a powerful tool that can serve throughout one's life. Winn shows how a well-honed imagination is the very foundation of problem-solving, a skill that is needed throughout the whole of one's life.

"As a child, my imagination transformed a big cardboard box into a rocket ship, submarine, or anything else I could imagine. These days, children seem to rely more on video games than imagination, and, as a result, they are missing out on the enriching experiences that

imaginative play has to offer,” Winn reveals. “*GARG’s Secret Mission* teaches children that their imaginations can take them anywhere.”

Filled with colorful illustrations and endless adventure, *Space Cop Zack: GARG’s Secret Mission* is the perfect picture book for any child.

ABOUT THE AUTHOR

Don M. Winn is a multiple award-winning children’s author of eleven picture books and four children’s novels. His *Sir Kaye the Boy Knight*® series of novels for independent readers include *The Knighting of Sir Kaye*, *The Lost Castle Treasure*, *Legend of the Forest Beast*, and *The Eldridge Conspiracy*. Winn’s picture books include *The Higgledy-Piggledy Pigeon*; *Superhero*; *Twitch the Squirrel and the Forbidden Bridge*; *Shelby the Cat*; *Space Cop Zack*, *Protector of the Galaxy*; and many others.

Winn has been writing for over 20 years. After beginning with poetry, he moved on to writing children’s picture books. Almost immediately, his growing young readers begged for chapter books, which led to the creation of the Sir Kaye series. As a dyslexic, who well knows the challenge of learning to love to read, Winn’s goal is to write books that are so engaging they will entice even the most reluctant or struggling reader. Winn lives in Round Rock, Texas.
