The Eldridge Conspiracy
**Book 4 in the *Sir Kaye the Boy Knight Series*
by Don M. Winn**

**AWARD-WINNING CHILDREN’S AUTHOR EXPLORES HOW
CHALLENGES CAN BE CONQUERED WITHOUT SUPERPOWERS**

Superheroes have the power to influence and shape a child’s morals. They have the ability to develop a child’s imagination through fantasy lands and magic. But what happens when fictional heroes have no superpowers at all?

In *The Eldridge Conspiracy* (Available June 16, 2017), the fourth and final book in the award-winning *Sir Kaye the Boy Knight* series, twelve-year-old knight Kaye Balfour and his friends Reggie and Beau have their biggest adventure yet. Together, they travel to the kingdom of Eldridge to save Kaye’s absent father’s life and stop an evil baron from taking the throne from the rightful king. However, unlike most modern heroes, these boys face their obstacles without the help of superpowers.

The Eldridge Conspiracy has plenty of silly fun, while also demonstrating important personal growth. The non-stop adventure is packed full of mysterious clues, battling knights, and physical hurdles. Along the way, the young heroes learn the importance of humility, self-acceptance, and forgiveness, and that they can make their mark on the world in their own unique way, without needing to slavishly imitate anyone else.

“The *Sir Kaye the Boy Knight* series is a fun group of stories set in a fictional medieval world where the heroes learn to make good choices and practice self-reliance in challenging situations without superpowers or magic. The boys are likable and interact with kindness, respect, and lots of fun as they try to do the right thing. Loyalty and friendship always save the day as Kaye, Reggie, and Beau experience amazing adventures and hair-raising escapes from danger.” Winn says.

The Eldridge Conspiracy is a coming of age book filled with adventure, mystery, and suspense, and succeeds to address multiple themes throughout, such as:

- The importance of loyalty and friendships

- Putting aside your pride to help others
- You can be anything you want to be in life
- And much more!
